**To Whomsoever it may concern**

I had approached Dr. Mrinal for certificate translation of my Permanent Residency Application for Australia.

I would like to take this opportunity to mention about the wonderful experience I had with Tatsam Linguistic Services.

Her positive reply and excellent translation skills are noteworthy and I do recommend her name to my colleagues who are seek similar service.

Since this was needed on urgent basis by DIAC Australia, I was really impressed with the prompt reply.

Regards,

Sumeet Singh Pramar
